DTBi | BUNI Innovator Directory

62 published projects · Search: all · Catalogue: all

Public profile details only. Confidential phone numbers and staff-only programme notes are excluded.

Project	Innovator / group	Catalogue	Description	Public email	Website	Public source
Smart bird deterrent system	Rahimu Kantamwa	AgriTech and Food Systems Innovations	The supplied catalogue identifies a smart bird-deterrent project. It does not describe the design, operating method, field results, or deployment details; those should be confirmed with the innovator.	rahimkantamwa@gmail.com	-	-
Wave-Powered Irrigation Pump in Lake Victoria	John Makonda	AgriTech and Food Systems Innovations	The supplied catalogue lists a wave-powered irrigation pump intended for use in Lake Victoria. Technical specifications, locations served, and prototype results were not included in the source document.	jmakonda60@gmail.com	-	-
Sunflower Thresher Machine	Leonard Steven	AgriTech and Food Systems Innovations	A locally made, low-power sunflower-processing machine intended to make threshing easier for smallholder farmers. DTBi coverage says the design uses locally available materials and is being refined for wider use.	vunainnovators@gmail.com	-	https://www.linkedin.com/posts/dar-teknohama-business-incubator-tz_innovationforgrowth-ipworkshop-dtbi-activity-7384477166178209792-2fvl
Multipurpose Animal Feed Processing Machine (Feed Master Duo)	Adventina Stambuli	AgriTech and Food Systems Innovations	Feed Master Duo combines fodder cutting and grain milling in a locally developed machine designed to give farmers a practical, affordable way to process animal feed. The innovator?s profile reports that the project won the 2024 MAKISATU national competition.	adventinastambuli@gmail.com	-	https://www.ietwomenchapter.or.tz/adventina-stambuli/
FarmBoksi	Victor Odoh	AgriTech and Food Systems Innovations	FarmBoksi describes a service combining mobile solar-powered storage, produce aggregation, value addition, and a business-to-business e-commerce marketplace to help farmers reduce post-harvest loss and reach commercial buyers. The catalogue contact name is preserved as supplied; the public company listing names a different person, so the relationship should be confirmed.	victorkendo@yahoo.com	https://www.farmboksi.com/	https://www.linkedin.com/company/farm-boksi
FugajiSmart (smart poultry farming)	Akram Ali Omar	AgriTech and Food Systems Innovations	The supplied catalogue describes FugajiSmart as a smart-poultry-farming innovation. It does not provide the product features, implementation details, or performance results.	omar.akram@suza.ac.tz	-	-
BioGreen Insects: Waste-to-Value Innovation	Lucas P. Luchemba	AgriTech and Food Systems Innovations	The supplied catalogue identifies an insect-based waste-to-value innovation. It does not specify the insect species, waste inputs, products, or operating model; these details should be confirmed before publication.	lucaspaul33@gmail.com	-	-
Online Detection of Aflatoxins in Foods	Lillian Kaale	AgriTech and Food Systems Innovations	COSTECH lists an online food-aflatoxin detection project by Dr. Lilian Kaale of the University of Dar es Salaam among research projects selected for support to advance research results toward use. The supplied catalogue names Lillian Kaale; the identity and email match should be confirmed.	elykaale@gmail.com	-	https://costech.or.tz/Files/Documents/1684599019.pdf
Afrix-Digital Platform for content creators	George Mushi	MAKISATU Innovation Catalogue	Afrix-Digital Platform for content creators is an innovation project listed in the supplied MAKISATU records.	georgejohn991@gmail.com	-	-

Project	Innovator / group	Catalogue	Description	Public email	Website	Public source
Animal feed process machine	Boniphace Rutta	MAKISATU Innovation Catalogue	Animal feed process machine is an innovation project listed in the supplied MAKISATU records.	mrbonnytz@gmail.com	-	-
Assessment System - OREX	Said Ally	MAKISATU Innovation Catalogue	Assessment System - OREX is an innovation project listed in the supplied MAKISATU records.	saidallymasomaso@gmail.com	-	-
Bee Venom sensor machine	Patrick Kitosi	MAKISATU Innovation Catalogue	Bee Venom sensor machine is an innovation project listed in the supplied MAKISATU records.	patrickkitosi700@gmail.com	-	-
Bio-pesticied and Bio -fertilizer manufacturing machine	Edmund Ngwalago	MAKISATU Innovation Catalogue	Bio-pesticied and Bio -fertilizer manufacturing machine is an innovation project listed in the supplied MAKISATU records.	engwalago@gmail.com	-	-
Cupola Furnace Steel Balls Production	Dr. Richard Katemi	MAKISATU Innovation Catalogue	Cupola Furnace Steel Balls Production is an innovation project listed in the supplied MAKISATU records.	rkatemi@gmail.com	-	-
Dagaa Cooking Pot	Bishara Ali Juma	MAKISATU Innovation Catalogue	Dagaa Cooking Pot is an innovation project listed in the supplied MAKISATU records.	bisharasule@yahoo.co.uk	-	-
Development of Composite Snacks using Biofortified Beans	Elina Maseta	MAKISATU Innovation Catalogue	Development of Composite Snacks using Biofortified Beans is an innovation project listed in the supplied MAKISATU records.	elinamaseta2@gmail.com	-	-
Development of Software	Prince Tilya	MAKISATU Innovation Catalogue	Development of Software is an innovation project listed in the supplied MAKISATU records.	prince.prosper@gmail.com	-	-
Development of improving auto-electrical training	Andrea Francis Shayo	MAKISATU Innovation Catalogue	Development of improving auto-electrical training is an innovation project listed in the supplied MAKISATU records.	shayoandrew@gmail.com	-	-
Development of leaching plant to improve the extraction of copper for small scale mine	Ombeni Mdee	MAKISATU Innovation Catalogue	Development of leaching plant to improve the extraction of copper for small scale mine is an innovation project listed in the supplied MAKISATU records.	ombenijohn@gmail.com	-	-
Dr Mimea	Epimack Edesi Chami	MAKISATU Innovation Catalogue	Dr Mimea is an innovation project listed in the supplied MAKISATU records.	chamiepimack@gmail.com	-	-
Elimu Unity	Patrick Chacha	MAKISATU Innovation Catalogue	Elimu Unity is an innovation project listed in the supplied MAKISATU records.	pchacha97@gmail.com	-	-
Five Sar Agrovet Fertilizer	Francis Pentzel	MAKISATU Innovation Catalogue	Five Sar Agrovet Fertilizer is an innovation project listed in the supplied MAKISATU records.	fmpentzel@gmail.com	-	-
Four Line Direct Seeding Machine	Ibrahim Madulu	MAKISATU Innovation Catalogue	Four Line Direct Seeding Machine is an innovation project listed in the supplied MAKISATU records.	Ibrahimumadulu92@gmail.com	-	-
Fuel Storage Tank Monitoring System	Gulam Ali Abdala	MAKISATU Innovation Catalogue	Fuel Storage Tank Monitoring System is an innovation project listed in the supplied MAKISATU records.	gulamabadulla@icloud.com	-	-
Gas Fasta	Mohamed Albeit	MAKISATU Innovation Catalogue	Gas Fasta is an innovation project listed in the supplied MAKISATU records.	-	-	-

Project	Innovator / group	Catalogue	Description	Public email	Website	Public source
Go Safe water purify	Assad Azizi	MAKISATU Innovation Catalogue	Go Safe water purify is an innovation project listed in the supplied MAKISATU records.	asaadaziz200@gmail.com	-	-
Hasewa	Kongano la Nazi Mafia	MAKISATU Innovation Catalogue	Hasewa is an innovation project listed in the supplied MAKISATU records.	hasewa.japhet@yahoo.com	-	-
Jiko la Kuchoma Chokaa	Alfred Guka Osano	MAKISATU Innovation Catalogue	Jiko la Kuchoma Chokaa is an innovation project listed in the supplied MAKISATU records.	alfrendguka@gmail.com	-	-
Juicer Filter Machine	Godfrey Maro	MAKISATU Innovation Catalogue	Juicer Filter Machine is an innovation project listed in the supplied MAKISATU records.	godfreymaro@gmail.com	-	-
KRO Security	Robert Onesmo Ngogo	MAKISATU Innovation Catalogue	KRO Security is an innovation project listed in the supplied MAKISATU records.	robertonesmo66@gmail.com	-	-
KUNAMO Cluster Morogoro innovation	KUNAMO Cluster Morogoro	MAKISATU Innovation Catalogue	KUNAMO Cluster Morogoro innovation is an innovation project listed in the supplied MAKISATU records.	grainkongano@gmail.com	-	-
Machine ya Kusaga Karanga	Juma Melimeli	MAKISATU Innovation Catalogue	Machine ya Kusaga Karanga is an innovation project listed in the supplied MAKISATU records.	jumarmelimeli6@gmal.com	-	-
Marketing information system	Raphia Ally Rajabu	MAKISATU Innovation Catalogue	Marketing information system is an innovation project listed in the supplied MAKISATU records.	raphiakimaro@gmail.com	-	-
Mashine ya Kupukuchua Karanga	Lucas Sabule	MAKISATU Innovation Catalogue	Mashine ya Kupukuchua Karanga is an innovation project listed in the supplied MAKISATU records.	lucassabule@gmail.com	-	-
Mifuko ya Vifungashio vya Karatasi	Jackson Kanyenye	MAKISATU Innovation Catalogue	Mifuko ya Vifungashio vya Karatasi is an innovation project listed in the supplied MAKISATU records.	jacksonkanyenye7@gmail.com	-	-
Mkanda Salama	Pachal Kija	MAKISATU Innovation Catalogue	Mkanda Salama is an innovation project listed in the supplied MAKISATU records.	kijapaschalt@gmai.com	-	-
Mobile Pellete Feed Machine	Sussack Marko Mbulu	MAKISATU Innovation Catalogue	Mobile Pellete Feed Machine is an innovation project listed in the supplied MAKISATU records.	sucmbulu@gmail.com	-	-
Model Ufundi Magari	Edmund Nzowa	MAKISATU Innovation Catalogue	Model Ufundi Magari is an innovation project listed in the supplied MAKISATU records.	edmundnzowa8@gmail.com	-	-
Multi-purpose dryer machine	Kassim Ally Thabit	MAKISATU Innovation Catalogue	Multi-purpose dryer machine is an innovation project listed in the supplied MAKISATU records.	bahariakasim@yahoo.com	-	-
Prepaid water meter	Wilbroad Nyirenda	MAKISATU Innovation Catalogue	Prepaid water meter is an innovation project listed in the supplied MAKISATU records.	willbroadnyirenda@gmail.com	-	-
Production of Electricity using compressed air	Ally Mahmoud	MAKISATU Innovation Catalogue	Production of Electricity using compressed air is an innovation project listed in the supplied MAKISATU records.	rahna7017@gmail.com	-	-
Saratani AI	Sang'udi Sang'udi	MAKISATU Innovation Catalogue	Saratani AI is an innovation project listed in the supplied MAKISATU records.	sangudisangudi09@gmail.com	-	-

Project	Innovator / group	Catalogue	Description	Public email	Website	Public source
Smart darasa	Aginiwe Kusiluka	MAKISATU Innovation Catalogue	Smart darasa is an innovation project listed in the supplied MAKISATU records.	smartdarasa@gmail.com	-	-
Soft Teacher App - Interactive Learning Software	Danford Phiri	MAKISATU Innovation Catalogue	Soft Teacher App - Interactive Learning Software is an innovation project listed in the supplied MAKISATU records.	danford.phiri@tcra.go.tz	-	-
Stick for Visual Impaired people	Asia Bakari	MAKISATU Innovation Catalogue	Stick for Visual Impaired people is an innovation project listed in the supplied MAKISATU records.	yusuhau654@gmail.com	-	-
Trash to treasures	Judith Mauhu	MAKISATU Innovation Catalogue	Trash to treasures is an innovation project listed in the supplied MAKISATU records.	judythmaduhu@gmail.com	-	-
Umeme Bag	Onesmo Aloyce	MAKISATU Innovation Catalogue	Umeme Bag is an innovation project listed in the supplied MAKISATU records.	ones.aloyc@gmail.com	-	-
Vigae vya Sakafuni	Linus Mwombeki	MAKISATU Innovation Catalogue	Vigae vya Sakafuni is an innovation project listed in the supplied MAKISATU records.	linusmwombeki6@gmail.com	-	-
Waste Composte	Maria Mabugo	MAKISATU Innovation Catalogue	Waste Composte is an innovation project listed in the supplied MAKISATU records.	mariamabugo@gmail.com	-	-
Waste water Perclation	Adventina Stambuli	MAKISATU Innovation Catalogue	Waste water Perclation is an innovation project listed in the supplied MAKISATU records.	adventinastambuli@gmail.com	-	-
Yakwetu Biofertilizer	David Kazuguri	MAKISATU Innovation Catalogue	Yakwetu Biofertilizer is an innovation project listed in the supplied MAKISATU records.	davidkazuguriworkmail@gmail.com	-	-
eSchoolTZ	Hamisi Said	MAKISATU Innovation Catalogue	eSchoolTZ is an innovation project listed in the supplied MAKISATU records.	hamisysaid@gmail.com	-	-
Afrimix Animal Feed - Biopro Poultry Feeds	Whitefrank Frank	MAKISATU Innovation Catalogue	Afrimix describes Biopro as a range of locally formulated poultry feeds for starter, grower, and finisher stages. Its public site focuses on more affordable feed and improved broiler growth; detailed performance claims should be reviewed with the innovator before being relied on.	whitefrank.rdi@gmail.com	https://www.afrimixfeeds.com/	https://www.afrimixfeeds.com/
Avocado Oil Production	Yesse Oljange	MAKISATU Innovation Catalogue	The AVOmeru website describes cold-pressed avocado oil produced through village-based processing in Northern Tanzania, connecting farmers with value addition for avocados that might otherwise go unused. The catalogue email is included as supplied.	avomeru@gmail.com	https://www.avomerugroup.com/	https://www.avomerugroup.com/
Vuruga Organic Biopesticide	Dr. Never M. Zekeya	MAKISATU Innovation Catalogue	Plant Biodefenders describes Vuruga as a locally developed biopesticide for crop-pest management, alongside organic agricultural inputs. Its website lists crops and product information; farmers should follow the product label and local guidance.	neverm@plantbiodefenders.co.tz	https://plantbiodefenders.co.tz/	https://plantbiodefenders.co.tz/
Activated Carbon	Tiberius Sarufu	MAKISATU Innovation Catalogue	The supplied catalogue lists an activated-carbon innovation using coconut shells, a way to add value to an agricultural by-product. It does not specify the production process, tested applications, or performance.	tibemario4@gmail.com	-	-

Project	Innovator / group	Catalogue	Description	Public email	Website	Public source
Rafiki Planter	Dauson Malela	MAKISATU Innovation Catalogue	TARI describes Rafiki as a locally developed planter intended to make crop planting quicker and easier. Public coverage identifies Dauson Malela as a lead innovator and reports use for crops including cotton, sunflower, and maize.	kijapaschalt@gmai.com	-	https://www.tari.go.tz/uploads/documents/sw-1765439492-TARI%20AUDITED%20FINANCIAL%20STATEMENTS%20FOR%20THE%20YEAR%20ENDED%2030TH%20JUNE%202023z.pdf
Soil Dose Fertilizer Applicator	Lilian Richard Chemli	MAKISATU Innovation Catalogue	The supplied catalogue lists Soil Dose as a fertilizer applicator. Public Africa RISING coverage identifies an innovator named Lilian Richard and describes the tool as a way to apply fertilizer to soil; more detailed specifications were not available from the source.	richardlilian6@gmail.com	-	https://tanzania.rssing.com/chan-17421072/all_p8.html
Transforming Palm Crops Into Red Gold	George Buchafwe	MAKISATU Innovation Catalogue	The catalogue lists a palm-crop value-addition project under the title ?Transforming Palm Crops Into Red Gold.? It does not identify the specific crop, product, or processing method.	gstarnaturalpr@gmail.com	-	-
Gatishamba (Farmcart)	Eng. Musa Gese Doto	MAKISATU Innovation Catalogue	The supplied catalogue identifies Gatishamba, also called Farmcart, as an agricultural innovation. It does not describe the service, product, or intended users.	fsigeita@gmail.com	-	-
Production of Animal Feeds Using Maggots	White Frank	MAKISATU Innovation Catalogue	The catalogue lists a method for producing animal feed using maggots. It does not specify the insect species, feed composition, production process, or validation results.	whitefrank.rdi@gmail.com	-	-
Scalable Manure Spreader	Frank Sabaya Mollel	MAKISATU Innovation Catalogue	The supplied catalogue identifies a scalable manure-spreading innovation. It does not provide a design, operating capacity, crop applications, or prototype details.	frank_mollel@yahoo.com	-	-
